

Hello my friends,

Sorry it's been so long since I've wrote you. My computer has been acting a lot like Linda Blair lately. I'd try jumping out the window but my office is on the first floor. Oh well, I have to tell you a bunch of stuff. Please bear with me. **I'll put things in headings so you can skip the boring stuff, but don't skip the 1st thing below.**

Dues or No Dues? Yes and NO (to clarify, you can choose)

For a Due Paying Membership

For a nominal fee of 10.00 (or 15.00 for family) you will have the added benefits of: 1) voting rights, 2) no cover for all OCC events, 3) access to club funds for hosting club events. 4) free Classified ads on our web site to sell your old bike and stuff. 5) Your own OCC email address, & 6) The OCC Directory (of members email address and phone numbers). Imagine that!

For Associate Members (non due paying members)

You forgo the above and everything stays the same. You will still get the ride time notices and news letters of all events, tours, rides, programs, etc and of course you will still have access to www.oshkoshcyclingclub.com our excellent web site. We would still encourage you to register as a member in either event, so you can have the release/waiver agreement protection. You may have to pay a cover for events, & programs.

Insurance?

It was decided to table the issue until we look into some cycling organization rates to see if it is affordable.

OCC Board?

It was decided that, since a voluntary board is protected by state law, it would be best to have a board after all. The motion to confirm all ten nominees onto the board was carried by a unanimous vote.
